LDM-A Series Laser Distance Meter

Measuring range: 0.05-150m

Measuring accuracy: $\pm(2+5 \times D/10^5)$ mm

Measurement unit options: mm / in / ft

Specifications:

Parameter	LDM-A40/60/70/80/100/150
Measuring range	0.05-150m
Measuring accuracy	$\pm(2+5 \times D/10^5)$ mm
Measurement unit options	mm / in / ft
Laser class	II
Laser type	635nm, ≤ 1 mW
Automatic laser off	20s
Automatic power off	150s
Automatic backlight	yes
Delay measurement	yes
Continuous measurement Max./Min. measurement Area measurement Volume measurement	yes
Staking-out	yes
Pythagorean measurement Addition/subtraction/area Volume addition/Subtraction	yes
Display	LCD 4-line segment display, FSTN.
Max storage	100units
Battery	AAA 2 x 1.5V
Storage temperature	-20°C ~ +60°C
Operation temperature	0°C ~ +40°C
Ingress protection	IP54
Dimensions and weight	118X54X26.5mm, 125g.
